DESCRIPTION

Lockable big box in the 120 x 80 cm footprint that secures the lid and seals the contents.

- The locking system keeps the lid reliably shut, with hinges, tension locks or padlocks depending on the version.
- Padlock versions secure the contents against unauthorised access.
- The closed lid protects against moisture, dirt and light.
- Integrated pallet base for direct stacking and forklift handling.

Used for the secured transport of valuables, hazardous-goods components and sensitive items.

Made of recyclable HDPE, manufactured in Germany.
