Weight	0.65 kg
Zolltarifnummer	39239000

DESCRIPTION

Intermediate plate that adds a separating level, dividing a container horizontally into two tiers.

- Creates an extra tier for more order inside the container.
- Separates sensitive layers and protects the contents.
- Precisely matched to the respective container footprint.
- Inserted and removed without tools.

For multi-layer, orderly storage in Euro and KLT containers.

Made of polypropylene (PP), produced in Germany.
