### DESCRIPTION

Closed Euro container in the 60 x 40 cm footprint with an interlocking system that firmly joins stacked containers so a whole stack handles like a single unit.

- Interlocking system joins stacked containers into a compact tower with one grip
- Released again just as quickly and without tools
- Prevents individual containers from slipping within the stack during transport
- Smooth closed walls protect contents from dust and dirt
- Standardised Euro footprint for gap free stacking and palletising

Ideal for in house transport, picking routes and shipping several linked containers as one unit.

Made of food safe polypropylene (PP), resistant to acids and alkalis as well as cold and heat, manufactured in Germany.
