### DESCRIPTION

Practical accessory for the Pro protective case that extends how the cases are stored, carried and handled.

- Wall mount stores the case space-savingly and within reach on the wall
- Shoulder strap with carabiners spreads the load over longer distances
- Extra handles and a levelling base improve handling and stability

For the workshop, the service vehicle and field use, for safe storage and comfortable transport of the protective cases.

### Technical data

Suitable for CP 6427

Delivery scope Including mounting material for wall installation and magnetic mounting plate for self-assembly
