DESCRIPTION

Compact transport trolley in the 60 x 40 cm format onto which a Euro container is set and rolled with ease.

- Recesses in the deck hold the container securely in place.
- Smooth-running swivel casters give high maneuverability in tight spaces.
- Polyamide wheels roll hard and easily on smooth floors, while rubber wheels run quieter on uneven ground.
- With the coupling system, stacked containers are linked into a stable tower that moves as one.
- Empty trolleys nest space-savingly inside one another.

Used in order picking, assembly and in-house transport of Euro containers.

Manufactured in Germany.

Technical data
