DESCRIPTION

The Fetra 1134 is a platform trolley with folding sides for bulky and mixed loads. With a 900 x 600 mm load area and a aluminium construction it suits daily use in workshop, warehouse, laboratory and order picking.

Benefits

- 900 x 600 mm load area for bulky and mixed goods
- Aluminium construction for low dead weight and corrosion resistance
- TotalStop parking brake that locks all four wheels
- FixStop directional lock for safe straight running
- Folds down compactly for transport and storage

Technical data

- Load area: 900 x 600 mm
- Material: aluminium
- Brake system: TotalStop parking brake that locks all four wheels plus FixStop directional lock for safe straight running
- Weight: 18 kg
- Made in Germany

Applications

For in-house transport of material, workpieces and small load carriers. When folded the trolley needs little floor space.

Quality

Made in Germany, 10-year warranty.
