### DESCRIPTION

The double end-panel trolley moves general goods, cartons and containers safely through stores, dispatch and production. The load area measures 850 x 500 mm and carries 500 kg. Two sturdy end panels secure tall goods against slipping off.

### KEY BENEFITS

- 500 kg load capacity on a 850 x 500 mm load area
- Solid rubber wheels run easily and quietly over sills and rough floors
- Total-stop parking brake (wheel and swivel lock) secures the trolley at the workplace
- Two sturdy end panels secure tall goods against slipping off.
- Steel tube/sheet construction, powder-coated, permanently surface-protected

### TECHNICAL DATA

- Load area: 850 x 500 mm
- Load capacity: 500 kg
- Tyres: solid rubber wheels
- Brake system: total-stop
- Net weight: 31.0 kg

### APPLICATIONS

General in-plant transport, order picking and dispatch preparation.

## **QUALITY AND SERVICE**

Made in Germany, 10-year warranty.
