Ausführungsklasse **TEC**Country of Manufacture **Germany**Warranty **10 years**Weight **38 kg**Zolltarifnummer **87168000**

DESCRIPTION

The 24001400 platform trolley moves parts, containers and picked goods up to 500 kg across 2 levels of 850 x 500 mm each. The welded steel-tube and profile-steel MultiVario frame is powder-coated and stays impact and scratch resistant.

BENEFITS

- 500 kg total capacity, 200 kg per load area
- 2 levels of 850 x 500 mm for more storage on a small footprint
- Waterproof phenolic-coated plywood platforms
- 2 swivel and 2 fixed castors with quiet, non-marking TPE tyres
- Brakes on the swivel castors for safe loading

TECHNICAL DATA

- Total capacity: 500 kg
- Capacity per load area: 200 kg
- Load area: 850 x 500 mm
- Number of levels: 2
- Overall height: 860 mm
- Tyres: TPE, hubs with ball bearings
- Platforms: waterproof phenolic-coated plywood platforms
- Frame: steel tube and profile steel, powder-coated RAL 5007

- Net weight: 38.0 kg

APPLICATIONS

For assembly, order picking, storage and workshop use where material is collected on several levels and moved between workstations.

EXPANSION

The MultiVario system accepts push handles, side walls, divider panels and additional load areas.

ORIGIN AND WARRANTY

Made in Germany. 10-year Fetra warranty.
