

Box trolley with sheet-steel walls 750 kg, 1000 x 680 mm - Fetra 5492

Item no. FE-5492

Manufacturer Fetra

EAN 4017976019185

Enclosed transport trolley with sheet-steel walls and 750 kg total load capacity for in-plant material handling. The 1000 x 680 mm load area and the lockable closure secure the load against falling out and unauthorised access. TPE tyres on 200 mm wheels run quietly and protect the floor.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
FIXSTOP	Ja

Tyres / Wheels	TPE
Warranty	10 years
Weight	162 kg
Zolltarifnummer	87168000

DESCRIPTION

The 5492 box trolley moves piece goods, small parts and order-picking loads through the plant under protection. The enclosed design with sheet-steel walls keeps the load together, and the lockable closure secures it against falling out and unauthorised access.

BENEFITS

- 750 kg total load capacity for heavy multi-shift transport
- 1000 x 680 mm load area takes bulky goods and several containers
- Lockable closure protects the load against theft and loss
- TPE tyres on 200 mm wheels run quietly and leave no floor marks
- Torsion-resistant welded frame for long continuous service

TECHNICAL DATA

- Total load capacity: 750 kg
- Load per shelf: 90 kg
- Usable area: 1000 x 680 mm
- Shelf heights: 292, 582, 882, 1182, 1482 mm
- Number of shelves: 5
- Overall dimensions (L x W x H): 1170 x 745 x 1792 mm
- Wheel size: 200 mm
- Tyres: TPE

- Walls: sheet-steel walls

APPLICATIONS

In-plant material handling in production, warehouse, workshop and dispatch. Suitable for order picking and the protected transport of sensitive or valuable goods.

QUALITY AND WARRANTY

Made in Germany. 10-year manufacturer warranty.
