## DESCRIPTION

The Fetra shelf trolley 8413 brings order and speed to in-plant transport. Across 4 levels with 600 kg total and 90 kg per shelf, you separate orders, parts and tools cleanly and move them to their destination in a single trip.

### Key benefits

- 600 kg total load capacity, up to 90 kg per shelf - built for continuous duty in production and logistics.
- 4 load levels with shelf heights of 269, 669, 1069, 1469 mm keep parts and orders clearly separated on a single trolley.
- 1200 x 800 mm load area with wire-mesh walls for boxes, containers and bulky cargo.
- 200 mm wheels with TPE tyres, two of them swivel castors, run quietly and leave no marks on

sensitive floors.

- Total-stop parking brake locks both wheel rotation and swivel with one press of the pedal.
- Torsion-resistant, powder-coated steel frame, made in Germany, with a 10-year warranty.
