ESD safe

DESCRIPTION

The Fetra shelf trolley with insert trays 8220 moves up to 500 kg across 4 tiers through production, warehouse and dispatch areas. The 4 levels of 850 x 500 mm usable area each keep orders, parts or picks cleanly separated so more is carried in a single run.

Key benefits

- 500 kg total capacity on 4 tiers for high transport throughput per trip
- 1 fixed shelf plus 3 removable insert trays in beech-finish wood, repositionable on a 100 mm pitch
- Welded tubular steel chassis, powder-coated blue RAL 5007, built for continuous duty

- Total-Stop and Fix-Stop brake system locks the trolley securely during loading and unloading
- Overall height 1511 mm, easy to push and to manoeuvre through standard doorways

Technical data

- Load capacity: 500 kg
- Tiers: 4
- Usable area per tier: 850 x 500 mm
- Overall height: 1511 mm
- Net weight: 58 kg
- Wheels: 2 swivel and 2 fixed castors, TPE tyres, ball-bearing hubs
- Frame: steel, powder-coated blue RAL 5007
- Shelves: wood, beech-finish surface

Applications

Order picking, in-plant material flow, line-side supply at assembly stations, workshop and dispatch logistics. The separate levels suit staging several orders in parallel.

Quality and warranty

Made in Germany, 10-year warranty. Optional pneumatic, elastic, polyamide or polyurethane tyres and matching Euro containers and accessories are available.
