ESD safe

DESCRIPTION

The 1301 workpiece trolley moves heavy workpieces and assemblies up to 600 kg on a 1200 x 800 mm load area. The flat platform and low deck height ease loading and unloading of bulky parts in production and assembly.

Benefits

- 600 kg total capacity for heavy workpieces
- Large 1200 x 800 mm load area for bulky parts
- 200 mm TPE wheels, quiet and non-marking on industrial floors
- Total and directional locks for safe loading and parking
- Modular, expandable with tube, fork and pin holders

Technical data

- Total capacity: 600 kg
- Load area: 1200 x 800 mm
- Overall dimensions (L x W x H): 1372 x 809 x 1536 mm
- Wheel size: 200 mm
- Tyres: TPE
- Brake: total lock and directional lock
- Weight: 90 kg

Applications

For production, assembly and workshop use where heavy single parts and assemblies move between workstations.

Accessories

Expandable with tube holders, fork holders, pin holders, shaft holders and material or open-front storage boxes from the series.

Origin and warranty

Made in Germany. 10-year Fetra warranty.
