DESCRIPTION

The Fetra 22902 is a stacking frame for pallet dollies up to 1200 kg. The welded angle-steel construction with corner catches creates a second level above the dolly.

Key benefits

- Second level for stacking flat pallets and mesh boxes
- Sturdy support tubes with foot plates and corner catches keep the load stable
- Fits pallet dollies with a 1210 x 1010 mm usable area
- Rated for dollies up to 1200 kg load capacity

Technical data

- Usable area: 1210 x 1010 mm

- Height without dolly: 140 mm
- Height with dolly: 422 mm
- Version: welded angle-steel construction with corner catches
- For pallet dollies up to 1200 kg

Applications

For space-saving stacking of two pallets on one dolly in warehousing, order picking and dispatch.

Quality and service

Made in Germany, 10-year warranty on the welded frame.
