

Muldenkipper 800 Liter 800 kg, mit Stapleraufnahme - Fetra 4704A-7016

Item no. FE-4704A/7016

Manufacturer Fetra

EAN 4017976247045

Sturdy steel tipping skip with 800 litre capacity and 800 kg load rating in the Grey Edition RAL 7016, for collecting and emptying swarf, bulk material and residues. The trough tips for clean edge-emptying; four swivel castors with TotalStop brake keep it stable. The drain tap lets adhering liquids run off in a controlled way.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Warranty	10 years
Weight	120 kg
Zolltarifnummer	87168000

DESCRIPTION

The Fetra 4704A-7016 collects swarf, bulk material and residues right at the workstation and empties them over the edge into a container or press via the tipping steel trough. With 800 litre capacity and a 800 kg load rating it is built for continuous use in machining shops and industry with drain tap for controlled draining of coolant.

KEY BENEFITS

- 800 kg load capacity, 800 litre trough in robust sheet steel
- Tipping trough for clean edge-emptying without re-handling
- Four swivel castors, two with TotalStop brake (wheel and swivel locked)
- 200 mm wheels with Vollgummi tyres for quiet, floor-friendly travel
- Drain tap for controlled separation of swarf and coolant

TECHNICAL DATA

- Total load capacity: 800 kg
- Trough capacity: 800 litre
- Box dimensions (L x W x H): 1.321 x 1.044 x 735 mm
- Tipping-edge height with castors: 843 mm
- Tyres: Elastic-Vollgummi, wheel diameter 200 mm
- Overall dimensions (L x W x H): 1458 x 1105 x 1099 mm
- Net weight: 120 kg
- Version: with drain tap

- Finish: Grey Edition RAL 7016

APPLICATIONS

For machining shops, workshops and production: collecting and emptying metal swarf, bulk material and residues, and separating adhering liquids. The tipping trough shortens disposal runs at the workstation.

ACCESSORIES

A matching hinged lid and an anti-slip safety chain are available.

QUALITY AND SERVICE

Made in Germany, 10-year warranty.
