

Selbstkipper 1200 Liter 2500 kg - Fetra 6120

Item no.	FE-6120	Manufacturer	Fetra
Manufacturer no.	6120	EAN	4017976061207

Steel self-tipping skip with 1200 litre capacity and 2500 kg load rating for chips, bulk goods and waste. The tipping mechanism releases against a fixed stop and empties the container automatically, so the operator never has to leave the tow tractor.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New

Warranty	10 years
Weight	230 kg
Zolltarifnummer	73090090

WARRANTY

10 years
WEIGHT
230 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The 6120 self-tipping skip moves heavy chips, bulk material and production waste across the plant and discharges it hands-free at the collection point. It holds 1200 litres and carries up to 2500 kg, clearing a full machine batch in a single run.

Benefits

- Automatic tipping: release the catch, drive against a stop, the body tips out fully and returns to position by itself
- 1200 litre capacity at 2500 kg load rating for high throughput per trip
- Welded steel construction with powder-coated finish for continuous use in production and foundry work

Technical data

- Load capacity: 2500 kg
- Capacity: 1200 litres
- Box length: 1699 mm
- Overall dimensions (L x W x H): 1755 x 1222 x 1127 mm
- Version: without drain tap

Applications

Chip handling at turning and milling machines, bulk and waste handling in manufacturing, foundries and recycling.

Quality and warranty

Made in Germany. Fetra grants a 10-year warranty on construction and workmanship.
