

Alu-Stapelkarre 200 kg, Vollgummiräder 260 x 56 mm - Fetra A1326V

Item no.	FE-A1326V	Manufacturer	Fetra
Manufacturer no.	A1326V	EAN	4017976113265

Lightweight aluminium stacking sack truck with a 200 kg load capacity and 260 x 56 mm solid rubber wheels. The low net weight of 13 kg makes handling easy, and the wheels are puncture-proof and run smoothly on firm, level floors. The stacking nose takes stacked loads and allows unloading without setting them down.

DESCRIPTION

The Fetra A1326V aluminium stacking sack truck moves loads up to 200 kg in daily transport. The aluminium frame is corrosion-resistant and easy to handle at 13 kg net weight. The stacking nose takes stacked loads and allows unloading without setting them down.

Key benefits

- 200 kg load capacity at only 13 kg net weight
- 260 x 56 mm solid rubber wheels, are puncture-proof and run smoothly on firm, level floors
- Corrosion-resistant aluminium frame, low maintenance
- Solid aluminium toe plate for a secure load grip
- Stacking nose for picking up stacked loads

Technical data

- Load capacity: 200 kg
- Frame: aluminium
- Tyres: 260 x 56 mm solid rubber wheels
