

Kabeltrommel mit Anbausatz für Werkstattwagen 2450-12456 - Fetra 2151-2450

Item no. FE-2151-2450

Manufacturer Fetra

EAN 4017976121512

Power where you work: the cable reel mounts firmly to workshop trolley 2450-12456 using the supplied kit and keeps the mains lead tidy at all times. The workplace stays free of trip hazards and the cable is protected from damage.

TECHNICAL DATA

Country of Manufacture	Germany
Warranty	10 years
Weight	7.7 kg
Zolltarifnummer	85444290

DESCRIPTION

The cable reel equips the workshop trolley 2450-12456 with a permanently fitted power supply. The mounting kit included with this variant matches it exactly to the target model, so the lead travels with the unit and never drags on the floor.

YOUR BENEFITS

- Mains lead travels tidily and is protected against crushing and abrasion
- Correctly sized mounting kit supplied, no additional parts required
- Sturdy steel build in brilliant blue, matched to the Fetra trolley range

TECHNICAL DATA

- Finish: brilliant blue
- Overall length: 789 mm
- Weight: 7.7 kg
- EAN: 4017976121512

APPLICATIONS

Intended for the workshop trolley 2450-12456. Suitable wherever a mobile workstation needs a permanent power feed, for example in assembly, maintenance and workshop work.

SCOPE OF DELIVERY AND COMPATIBILITY

Cable reel including the matching mounting kit for the workshop trolley 2450-12456. Fitting is quick at the designated mounting points.

QUALITY AND WARRANTY

Made in Germany. Fetra grants a 10-year warranty on this accessory.
