DESCRIPTION

The Auer EG SGF 4312 is a compartment divider set for partitioning Euro containers with a 40 x 30 cm base. It splits the container into clearly separated compartments and keeps small parts tidy so they do not become jumbled during transport.

BENEFITS

- Fixed compartments sort small parts and stop them shifting in transit
- Set of lengthwise and crosswise dividers for flexible partitioning
- Recommended height of 9 cm matches the EG 43/12 Euro container
- Low weight of just 176 g per set
