DESCRIPTION

The EG SGF 6432 divider set separates Euro containers with a 60 x 40 cm base into four clearly defined compartments. It consists of one lengthwise and one crosswise divider and brings fixed order to small parts, tools or picking goods.

BENEFITS

- One lengthwise and one crosswise divider create four fixed compartments per container.
- Compartment height of 29 cm matches the EG 64/32 Euro container.
- Low own weight of 831 g barely reduces the container payload.
- Plug-in dividers fit and come out again without any tools.
