

Transport dolly Maxi HD with linking system 82 x 62 cm, rubber wheels - Auer RO V 86.4 HD GU.L-5015

Item no. RO V 86.4 HD GU.L-5015**Manufacturer Auer**

Heavy-duty transport dolly measuring 82 x 62 cm for Euro containers with an 80 x 60 cm footprint. Four rubber swivel castors run quietly and protect sensitive floors. The linking system on the long side joins several dollies into one stable train.

TECHNICAL DATA

Weight **6.41 kg**

DESCRIPTION

The Maxi HD transport dolly moves Euro containers with an 80 x 60 cm footprint at floor level. Its 250 kg load rating covers fully loaded containers and stacked loads.

BENEFITS

- Four swivel castors allow tight manoeuvring on the spot, even in narrow aisles.
- Rubber wheels with a 12.5 cm diameter run quietly and leave no marks on delicate floor coverings.
- Linking system on the long side couples several dollies into a continuous transport train.
- ABS frame with a high 250 kg load rating at a dead weight of just 6.41 kg.

TECHNICAL DATA

- External dimensions L x W: 82 x 62 cm
- Linking system: long side
- Wheel configuration: 4 swivel castors
- Frame material: ABS
- Wheel material: rubber
- Wheel diameter: 12.5 cm
- Load rating: 250 kg
- Weight: 6.41 kg

- Colour: sky blue similar to RAL 5015

APPLICATIONS

Suited to order picking, internal material flow and buffering in warehousing, production and dispatch. The rubber wheels also suit areas with floor protection requirements and quiet operation.
