

Maxi HD dolly with linking system 82 x 62 cm, red - Auer RO V 86.6 HD PAX BO.L-3020

Item no. RO V 86.6 HD PAX BO.L-3020

Manufacturer Auer

Maxi HD transport dolly with all-round linking system for Euro containers with an 80 x 60 cm footprint. The ABS platform carries up to 250 kg and runs on 4 stainless steel swivel castors and 2 stainless steel fixed castors with 12.5 cm polyamide wheels. Colour traffic red.

TECHNICAL DATA

Weight	6.44 kg
--------	---------

DESCRIPTION

The Auer Maxi HD dolly moves Euro containers with an 80 x 60 cm footprint through warehousing, picking and dispatch. The all-round linking system locates the container positively and stops it slipping when pulled or pushed. Load capacity is 250 kg. The stainless steel castor forks suit damp and hygiene-sensitive areas.

BENEFITS

- Linking system holds 80 x 60 cm containers securely in place
- Rated to 250 kg at only 6.44 kg dead weight
- 4 stainless steel swivel castors and 2 stainless steel fixed castors with 12.5 cm polyamide wheels for easy running
- Stainless steel castor forks for a long service life

TECHNICAL DATA

- External dimensions L x W: 82 x 62 cm
- For container footprint: 80 x 60 cm
- Load capacity: 250 kg
- Castor configuration: 4 stainless steel swivel castors and 2 stainless steel fixed castors
- Wheel material: polyamide (PA)
- Wheel diameter: 12.5 cm

- Castor forks: stainless steel
- Platform material: ABS
- Colour: traffic red (similar to RAL 3020)
- Weight: 6.44 kg

APPLICATIONS

For in-house transport of stacked Euro containers in production, storage and goods-out. Several dollies can be coupled through the linking system into a stable container train.
