

Waldmann LED-Flächenleuchte ROCIA.planar, 18 W, 100-240 V

Item no. WL44914 **Manufacturer** Waldmann
Manufacturer no. 113458000-00668976

LED surface area light ROCIA.planar, 18 W, 100-240 V

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Weight	0.1 kg

DESCRIPTION

The ROCIA.planar LED surface area light with integrated transformer from Waldmann is an extremely robust and high-precision machine light in a full metal design. Its housing is made of aluminum. The 3D head joint, the high illuminance and the excellent light quality offer exact adjustability and set standards in terms of ergonomics. The LED boom light has an extremely long service life of at least 50,000 hours and low energy consumption. The ROCIA.planar ensures absolutely even and flicker-free light and has minimal heat generation in the direction of radiation.

- maximum illuminance 1752 lx
- powerful high power LEDs for maximum light
- strong, large-area and uniform lighting
- Full metal version
- Transformer integrated
- high protection category
- pinpoint illumination
- Glare control via impact-resistant, opal white screen
- precisely adjustable linkage with 3D head joint
- Colour temperature neutral white 5.000 K
- Colour rendering Ra > 80
- maintenance-free LED technology
- LED service life (L70) > 60 000 h
- robust aluminium housing
- chemically resistant to many media
- Connection to mains voltage

Product details

item number	WL44914
model	113458-000-00668976
manufacturer	WALDMANN
manufacturer item number	113458000-00668976
order unit	piece
material	Aluminium
Lamp or magnifier type	Surface light
connections	100-240 V, 50/60 Hz
colour temperature	5000 °K
power	18 W
equipping	LED, neutral white
attachment	Table mounting
housing colour	deep black, anodized
protection class	1
protection class	65 IP
ESD safe	no
