Item no. WL51575 **Manufacturer** Light4Vision**Manufacturer no.** LV3005-S

LED table lamp Stella TWO, 10 dimming levels, flexible use, black

TECHNICAL DATA

Article authenticity	Original product
Colour	Black
Condition of article	New
Weight	0.1 kg

DESCRIPTION

The Stella TWO has been designed with the user in mind and is intended for people who need higher overall light output, greater control over intensity and a better sense of touch. The tactile, raised touchpad is located on the base and allows the user to dim the light to ten different brightness settings. The Stella TWO uses new, state-of-the-art high-power LEDs and offers a lifetime of over 50,000 hours and minimal heat generation.
