Article authenticity	Original product
Colour	White
Condition of article	New
Weight	0.1 kg

DESCRIPTION

The Starlight LS1 Set is a compact LED inspection light in natural white (4000 K) that delivers 100 lm of luminous flux at just 5 W. The slim stainless steel tube with an 8 mm diameter works as a machine light even in hard-to-reach spots and comes complete with power supply and cable.

Benefits

- Natural white light (4000 K) for neutral, clear illumination
- 100 lm luminous flux at only 5 W power consumption
- Slim stainless steel body with 8 mm diameter for tight installation spaces
- Robust and durable as a machine light
- Complete set including power supply and cable, ready to use

Technical data

Model	LS1 Set
Type	machine light
Light color	natural white (4000 K)
Color temperature	4000 °K
Luminous flux	100 lm

Number of LEDs	1
Power consumption	5 W
Length	150 mm
Diameter	8 mm
Material	stainless steel
Color	silver
Scope of delivery	light, power supply, cable
Manufacturer part no.	100-010984
ESD safe	no

Applications

Ideal as a machine light for inspection, illumination of tight installation spaces, assembly and maintenance work and quality control.
